**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR
CAUSE AS FOLLOWS:**

The defendant is in compliance with the conditions of probation. However, Ms. Grady recently suffered the unexpected death of her mother. The defendant reports she is having a difficult time dealing with the loss. She has requested assistance in obtaining mental health treatment. In order to support the defendant's continued compliance, it is recommended the judgment be modified by the addition of a mental health treatment condition. The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that probation be modified as follows:

1. The defendant shall participate in a program of mental health treatment, as directed by the probation office.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing is true and correct.
